## Objective

Looking for internship in a renowned Institution to enhance my skills and knowledge and to work for the growth of the Institution.

## Academic Details

### **Atharva College of Engineering**

BE(Information Technology), 7.94, Pursuing

### **Pace Junior Science College, Andheri**

HSC, 79.08%, 2016

### **Canossa Convent High School, Dhule**

SSC, 94.60%, 2014

## Work Experience

### **Ashwadeep Foundation**

Intern, Mar 2019 - Apr 2019

Role : Done a Face Recognition project as an intern.

## Project Details

### **Product Management System**

A simple product management system with separate admin and employee controls. Separate databases for product details , customer details and admin and employee login and registration details for keeping record of each quite efficiently.

This application creates its own required database and its tables just by accessing the system's database through username and password.

Period : 10 days      Team Size: 3

Role : Programming and GUI creation

### **Face Recognition System**

A Face Recognition system that can be used for security purposes, student attendance and many more purposes. Project is made using OpenCV.

### **Credit Management System**

This is a PHP+MySQL webapp for credit management/transfer. It has 10 users with some credits. This system can be used to transfer those credits between the users.
